PROFESSIONAL SUMMARY

Motivated and detail-oriented professional transitioning to web and application development with hands-on experience in the MERN stack (MongoDB, Express.js, React, Node.js). Proven ability to learn new technologies quickly and solve problems efficiently. Strong background in sales, customer relations, and education, bringing excellent communication and organizational skills to collaborative technical environments.

SKILLS

- **Programming Languages:** JavaScript (ES6+), HTML, CSS
- **Frameworks and Libraries:** React.js, Express.js, Node.js
- **Databases:** MongoDB
- **Tools and Platforms:** Git, GitHub, Postman, Visual Studio Code, Salesforce
- **Development Practices:** API integration, version control, responsive design, cloud deployment
- **Professional Skills:** Customer service, lesson planning, research experience, fundraising, adaptability, time management, organization, prioritization, and teamwork

ACADEMIC PROFILE

MIT xPRO | Professional Certificate in Coding: For Women | Completed [November, 2024]

- Gained expertise in web development using HTML, CSS, and JavaScript.
- Built, tested, and deployed full-stack web applications with the MERN stack.
- Developed APIs, React front-end applications, and cloud-ready solutions using modern deployment pipelines.
- Created a GitHub portfolio featuring professional projects, showcasing skills in code quality, version control, and teamwork.

University of Connecticut | Bachelor of Science in Psychological Sciences

- Minored in Neuroscience and Physiology and Neurobiology
- Member of National Society of Leadership and Success (NSLS) and Premed Society

PROJECTS

Personal Portfolio | GitHub | ejohnson9862.github.io

- **Othello Game:** Built a fully functional Othello game using React. Implemented game logic, dynamic board updates, and player turns with intuitive UI/UX design.
- **Movie Search App:** Developed a React-based app leveraging a third-party API to fetch and display movie searches with corresponding movie details dynamically with a wishlist feature.
- **Portfolio Website:** Designed and deployed a responsive personal website showcasing projects and skills, hosted on GitHub Pages.
